IN 31ST YEAR—EVERY WEEK SINCE 1905.

HAMLIN, JONES COUNTY, TEXAS, FRIDAY, JANUARY 17, 1936

NUMBER 12

## At 6:01 P. M. Wednesday Got a New P. M.

Wednesday, January 15, 1936, just as the Postoffice Clock pointed its ever reminding hands to the hour of 6 p. m., a gentle knock was heard on the door and at 6:01 Harold Bonner became Hamlin's new P. M., supplanting C. B. Rowland.

This was an eventful hour for both of these men—for Hamlin, too. It marked a division of time in the life of the town and the two men.

There are a few "funny" things about that moment. The pretty new clock stopped stock still soon after Mr. Bonner became the official Postmaster. There is a suspicion about why the clock stopped. It is a Republican Clock and refused to run under a Democrat. Harold has oiled it up a bit, caressed it with a few strokes and by now it is shiny and going right along (just like they do up in Washington).

Thursday morning, the Herald Man and Mr. Moody paid the new P. M. a social call, and what do you think? He had the office door locked, hard and fast, and it took a lot of knocking, and noise to get admitted. Even Republicans don't lock out their Democratic friends that was, and to say what good Democrats think of being treated in such an undemocratic way would make fine campaign thunder. However, Harold is NOT taking any chances. He could not see through the door, and these days one can not tell by a knock what is on the outside. Well, we got in o. k. and Mr. Bonner's smile had already become very similar to that of the great president whose likeness is prominent before him.

Harold Bonner is an old West Texas "sand-blown-big-hearted fellow". He was born in Fisher County, near where Clantonville now stands, about 39 years ago—just a rancher-farmer boy. This postmaster business makes at least the third event of importance in his life, besides his birth. First, he was called to help fight in the World War, and later he was united in marriage to Miss Lottie Clark, another Fisher County native. Then comes being the successful applicant for the Hamlin postoffice. Mr. Bonner has spent several years in the lumber business, is a careful business man, has a kind smiling face, and says he is sure the office will make as many mistakes like putting the Herald Office mail in the wrong box as usual. He says he has a lot to learn, and will do his best to make a good student. He wants to put on a "Stamp Sale" this Saturday, but as he digs into the P. L. & R. he finds there can be no cuts in prices. So the same old machinery rolls right on—Republican or

Democrat.

### MR. ROWLAND REMAINS

It would not be a complete composition on the "New Postmaster" and leave out Cas B. Rowland, the retiring postmaster. Let's review Mr. Rowland a bit. He kindly grins-like and says: "I've spent 27 years and 5 months, exactly in the postal service." He came to the Hamlin office, Nov. 1, 1916, as a clerk. On April 13, 1919, he received commission as Postmaster from President Wilson, spent four years under a good Democrat, and was re-commissioned under Mr. Coolidge, and the last four years his commission was signed by Herbert Hoover. Thursday morning he was classified as "a clerk." Just a flunky, you see, but Mr. Rowland says he is as happy to be a "flunky" as Mr. Bonner could be, to be given the office. Cass Rowland could tell a lot about his experiences in the office. But there is one thing he can not solve. He says that for years he has been using a rubber stamp, "Cass B. Rowland" and it has proven true and faithful, but the very day he got a letter from Congressman Blanton, telling him he could not be appointed postmaster, "C" in his name dropped off from sheer disappointment, and now the old stamp is a worn and broken relic. Another thing, Mr. Rowland says a postmaster must never get impatient, look angry or "cuss," but there are no such regulations about a "mere clerk." Hence, what liberty!

Congratulations, Mr. Bonner. May you get many appointments under good Democratic Presidents, as the years go by.

Dr. J. F. Taylor, family physician of Supt. C. G. Green, received a letter this week from Mr. Green's physician in Dallas, stating that on Wednesday of last week, Mr. Green underwent a successful operation in Baylor Hospital and that he is now convalescing very satisfactorily. This is good news to Supt. Green's many friends in Hamlin, and it is hoped he will be able to return home soon.

Mrs. J. M. Amerson returned Thursday of last week from a three weeks visit to her old home in Mississippi. She reports a very pleasant visit and a most delightful trip. She was accompanied by her son, J. H. Amerson, wife and baby, James Edward, who visited in Tennessee, North Carolina, Kentucky, Georgia and Alabama.

Mrs. A. D. McLoughlin left Sunday for Dallas, where she will take special treatment for her eyes.

## JOHN C TURNER FOR RE-ELECTION

TO THE CITIZENS OF  
PRECINCT NO. 1—JONES CO.

I wish to thank every citizen of Precinct No. 1, Jones County, for their words of appreciation, and also your co-operation while trying to serve you as Commissioner of Precinct No. 1, and I am again asking your support.

In asking you to support me for this office again, I am doing so wholly on my past record. The work I have done, the service which I have rendered and the way in which I have looked after your finances and the county's best interest. I am not only trying to look after the best interest of Precinct No. 1, but in connection with other members of the Court, the best interest of Jones County. I have no favorites, but will do every thing that I possibly can to help any one I can, if I believe it to be just and right to do so. And if it be just and right, it will not give one person the advantage over his neighbor, nor will it be against the best interest of Jones County or its Citizens.

I know I have made mistakes, could not please every one, nor could I do every thing that I wanted to do, for it makes it different when you have the responsibility. I invite and request that you investigate my records as to finances also my work in other departments. After investigation, if my work and record meets with your approval then there is no one that will appreciate your confidence and support more than myself.

With the assurance that I will do my very best to render you the best service of which I am capable in the future as I have tried to do in the past.

Again thanking you for your co-operation and support, and should I not get to see you personally I kindly ask that you accept this as a personal solicitation for your continued support.

Sincerely,

JNO. C. TURNER.

John Paul Cain, Jr., had a birthday on Jan. 14, and the young banker tips the scales at 7 and one-half pounds. His proud parents are Mr. and Mrs. Paul Cain. Paul works at one of the "money windows" of the F. & M. National Bank, hence if anyone finds a mistake has been made this week, just be liberal in your feelings. At present the mother and son are at the Hamlin Hospital.

Denman Morgan was in Dallas this week on business and while there called on Supt. C. G. Green, who was then in the Baylor Hospital recovering from an operation. He reports Mr. Green doing well.

## G. D RANEY OUT FOR COMMISSIONER

HELLO FOLKS! EVERYBODY:

Due to the solicitation of a number of my friends, I have decided to ask you again for the office of County Commissioner of Precinct No. 1.

In the very beginning of this announcement I want to thank everybody for their courtesy and kindness towards me in my race for this same office four years ago. I especially thank those that voted for me at that time and I sincerely hope to get the same courteous treatment as before. I shall ever hope to get enough votes at this time to elect me to this office. It shall be my aim to see each and every voter personally, although should I fail to see you, please don't get offended for as you know, it is a great big job to see everybody and as to what I will or will not do, I will say I had rather not make too many rash promises other than I will say if I am elected, I shall ever strive at all times to handle everything under my supervision to the very best of my ability. My motto has ever been to "promise little and do more."

Now, thanking each and every one of you in advance for any and all favors that may be shown me in winning this race, I am,

Respectfully,

G. D. RANEY.

## WOUNDED MAN IN SERIOUS CONDITION

The young man, Gaylon Robertson, who was reported last week as being shot with a load of bird shot, at the home of Morton Keen, Sunday, January 5, is in a serious condition, according to reports from the Baptist Hospital in Abilene.

Robertson's condition has been growing worse, during the past week, and on Monday morning he was taken to the hospital for blood transfusion. Reports are that he was given blood on Monday, Tuesday and Wednesday. He rested better Wednesday night and up to press time Thursday, no reports were had that he was any worse.

The young fellow is very robust and his vitality may pull him through.

The Herald has one of the nicest letters from grandpa Routh of 1302 Jeanette St., Abilene, saying to us "Please accept our check for \$2.00 to push our Herald subscription up." Such a quotation is music to a country editor. Thank you, Mr. Routh.

A man who is clever enough to be boss in his own home is also wise enough not to brag about it.

## Chairman Hines, of Highway Commission Coming For Opening of Bridge on River

Sometime ago the Herald intimated that a Celebration would be held in opening the big concrete bridge across the Double Mountain Fork of the Brazos, on Highway No. 4, between Hamlin and Aspermont. Then we knew that a committee had been appointed to make all arrangements, and give due publicity.

Nothing has been given out on that subject 'till this Thursday morning.

The Chairman of the Hamlin end of the committees, Mayor Culbertson, was out of town and the Secretary of the Chamber of Commerce has rushed out something as to what they plan to have, and signed the Chairman's name to the "known" arrangements. Here is what they furnish.

CELEBRATION OF COMPLETION OF BRIDGE ON HI-WAY NO. 4

By arrangements of committees from Hamlin and Aspermont there will be a celebration of the completion of bridge across Clear Fork of Brazos about half way between Hamlin and Aspermont at Thursday noon, January 23rd.

The committees have arranged for an old time barbecue, beebes being furnished by Aspermont and Hamlin, jointly. Same to be held at 12 o'clock noon on above date.

Harry Hines, Chairman of the Texas State Highway Commission has wired that he will be present and participate in this event. Members of Chamber of Commerce, Road

Committees—County Judges, County Commissioners, and all others who are interested in the completion of Hi-Way No. 4 are invited.

The Terrell Grocery of Hamlin, has agreed to furnish the coffee. They represent the Concho Coffee Company and the brand is "Nu-Life". Other firms are planning on furnishing other items. The joint committees from Hamlin and Aspermont will have another meeting before above date and work out all the necessary details.

Joe L. Culbertson, Chairman of Local Committee.

It might be well here to furnish a little publicity on how the hard-surfaced work is progressing.

In Hamlin, they have laid the caliche base up to the Katy and it looks as though they would continue on north.

Part of this caliche base seems to be pure white gyp, especially that part near by the Hamlin Hospital. It makes a fog of smoke every time a car passes over it. The last few days, rock rip-rap has been thrown across the road at intervals and maybe the gyp will not blow away before the time arrives for the gravel and the black tarvation top. The work is being done by manual labor and is intended to furnish a long drawn out job for the men who need work.

Hamlin and Aspermont people will have cause to celebrate again when this road is finally finished.

## POLITICAL ANNOUNCEMENT

Below are names of persons declaring themselves candidates for offering themselves as candidates for office, subject to the action of the Democratic Primaries, of 1936.

### FOR:

COUNTY TREASURER:  
C. C. CONNELL.

COMMISSIONER, PRECINCT NO. 1  
JOHN C. TURNER (Re-Election)  
G. D. RANEY.

COUNTY ATTORNEY:  
GILBERT SMITH (Re-Election).

ASSESSOR-COLLECTOR:  
ROLAND L. DUNWODY.

## PIPERS WIN THIRD TROPHY

The Pied Pipers went to their third tournament of the season the past week and brought back their third trophy. However, for the first time this season the boys were beaten. Yes, as usual it was Big Spring. Big Spring beat the Pipers 33 to 31 in the semi-finals, then went on to win the tournament. Hamlin beat Sweetwater for the third place cup.

Plans are going forward for the big tournament here this week-end. Sixteen teams are entered with play starting Friday morning at 8:00 p. m. There will be four games Friday morning, four Friday afternoon, four Friday night, four Saturday morning, four Saturday afternoon and two Saturday night. Admission will be 25 cents a session.

Tuesday night the Pipers won their second conference victory by thumping Stamford on their home court to the tune of 48 to 14. Monday night, Jan. 20, the Pipers open their conference schedule at home against Anson.

—It Pays to Look Over the Ads.

## GILBERT SMITH FOR COUNTY ATTORNEY

TO THE VOTERS OF JONES COUNTY:

In announcing for re-election as County Attorney, I wish to use this in a two-fold manner:

First: I again wish to thank you for the confidence shown in me, by the large majority I received in July 1934, when I was a candidate, my first time for the office, and I sincerely hope that during the year I have served you, I have done nothing to cause you to lose that confidence.

Second: I am asking your support for re-election to a Second Term as your County Attorney, and am basing this request upon nothing more than my record in office, during which time I have tried hard to conduct the affairs of this office in a manner creditable to both you and me.

The only promise I make you is; if I am continued in office I will discharge my duties in the future as I have in the past.

I appreciate the cooperation and assistance of the peace officers and the individual citizens of this County, for without such assistance and cooperation, successful law enforcement would not be possible.

Respectfully,  
GILBERT SMITH.

## HELP WANTED

Young man or young woman to make an educational survey in Hamlin and vicinity—work to apply on tuition. Will also pay cash bonus. Excellent opportunity to get a money-making education at low cost. Write for full details at once. Draughton's College, Abilene, Texas.

## R. L. DUNWODY FOR ASSESSOR-COLLEC.

TO THE VOTERS OF JONES COUNTY:

In announcing as a candidate for the office of Tax Assessor-Collector, I wish to thank you again for the splendid vote that I received four years ago when I was elected Tax Assessor.

When the offices of Tax Assessor and Tax Collector were consolidated, I had served only one term as Assessor, withdrawing in favor of Mr. Sosebee, who likewise had served only one term as Collector. Since that time I have served as first deputy, working in both the assessing and collecting departments, and due to this added experience, I feel that I am qualified to give you courteous and efficient service.

I am now asking the voters of Jones County to seriously consider my candidacy for a second term. Any consideration given me will be very much appreciated.

ROLAND L. DUNWODY.

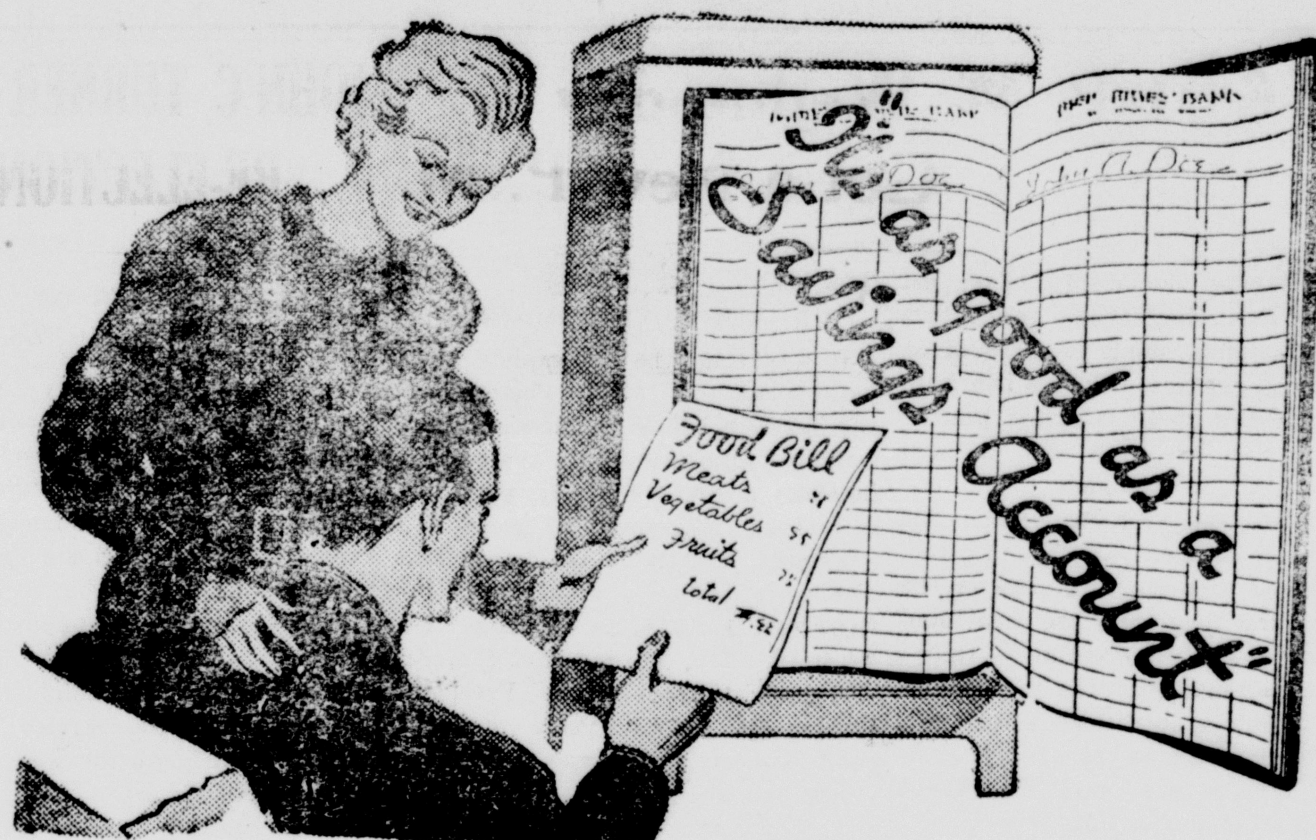

## REWARD

A \$50 reward has been paid by the Capper's Farmer National Protective Service, for the arrest and conviction of Herbert Carl Moore, who stole clothing, chickens and other articles from the posted premises of I. O. Hughes, Route 3, Stamford, Texas. Moore was given a 5-year sentence in the State Penitentiary at Huntsville, Texas. The reward has been distributed among Service Member Hughes, who kept his premises posted with warning signs, reported theft promptly and co-operated with local officers in effecting the arrest and conviction; J. C. Cotner, Lucille Bean and W. F. Bean, all of Stamford.

Since the Protective Service began operation, rewards amounting to \$64,115 have been paid for the conviction of 2,531 thieves found guilty of stealing from farmers, whose premises are posted with Protective Service signs.

It is believed the new system now being used by the Protective Service, for marking practically all farm property for identification in case of theft, will go a long way toward curbing thefts from farmers in the future.

### McCAULLEY 4-H GIRLS

The 4-H club girls of McCaulley met for their first meeting of the new year, January 1, 1936.

New officers had been elected and they took charge. They are as follows: President, Era Mae Martin;

Vice-President, Georgie Frances Lawlis; Secretary-Treasurer, Faye Lee; Council Representative, Frances Davison; Recreational Leader, June Barton.

The meeting began with some peppy club songs.

Miss Jennings talked to the girls about a pantry and a bedroom demonstration. She also talked to the

cooperators and encouraged them to help. The year's work was discussed and plans were made for a better and peppier club than McCaulley has ever had.

There are 26 enrolled in the club, at present, and we are hoping for more to join.

## Work of Home Demonstration Club of Jones Co. Valued at \$72,121.32

Of the 2830 Families living in the 50 communities in Jones County, 2,604 or 92 per cent have had some phase of Home Demonstration club work in 1935. A total of 44 of the 50 communities have received help, 19 through organized clubs and 25 through the Home demonstration Expansion program.

The Farm and Ranch Food Supply and Wardrobe demonstrations have been carried with the women with 17 demonstrators and 367 cooperators. Gardening and bedroom demonstrations have been carried with the girls of 10 demonstrators and 233 cooperators.

As a result of the Farm and Ranch Food Supply Demonstration, 320 gardens were planted, 216 food budgets made, 171 pantries organized with products placed on shelves properly arranged and labeled, 173 recipe files made, 15 cellars, 1191 feet of shelving added, 22 new pressure cookers and 16 sealers added, 13 hotbeds, 105 sub-irrigation systems with 29,523 feet of tile and 367 club members reported an adequate milk supply, 199,686 pounds of meats, beans, peas, lard and cheese have been cured, valued at \$35,231.46, 115,187 containers of food have been preserved, valued at \$29,115.40. The total value of this demonstration is \$64,346.86.

The goals for the wardrobe demonstration were: to make a dress and slip by the foundation pattern and have an adequate storage space for clothing. As a result of this demonstration: 217 foundation patterns were made, making a total of 893 foundation patterns in the county. 246 dresses and slips were made and 111 of these were exhibited at the county dress contest in June. 30 clothes closets were built, 48 closets remodeled, 27 rods of hanging clothes, 20 hat racks, 77 shoe racks, 3,104 garments either made or bought at a cost of \$3467.73 and valued at \$6757.00; a savings of \$3289.93.

In the girls work there have been 10 garden and 10 bedroom demonstrators with 222 cooperators. As a result of their work, 7 hotbeds were made, 7 sub-irrigation systems installed, 1978 containers of food preserved valued at \$395.65, 124 rooms have been provided with curtains, 46 mattress pads and covers were made and 51 spring covers. Total value of all bedroom work of girls is \$621.15.

The Jones County Home Demonstration Council has been quite active in creating interest and enthusiasm and assisting the Home Demonstration agent with the Extension program in the county. They raised a total of \$132.08 and spent \$126.05 in carrying on their activities which were: Dress contest, Women's Encampment, sending 4 delegates to Short Course, sending exhibit and 2 delegates to Lubbock

Meat Show and sponsoring the Home Demonstration and 4-H exhibit.

As the Jones County Judge said in his message to the Home demonstration club women, "Life is not merely to live, but to live the best we can with what we have, and this, as I see it, is the greatest accomplishment of the Extension work in our County." He further stated "I consider that the community could have no better insurance than the cooperation of its families with the outlined plans of study as we have in our Extension program.

Without a doubt the citizenship of Jones County realizes that the statements of their county judge are true for everyone has worked for a better living as well as a better life in Jones County.

By arrangement with Universal Credit Company, Ford dealers now make it easier than ever for you to own a new, 1936 Ford V-8 car—any model. Several new plans are open to you. All these plans bring you new low-cost financing—new completeness of insurance protection.

And even more important—any of these plans brings you the greatest Ford car ever built. It offers so many fine-car features that it is being called "the most under-priced car in America".

Arrange for a demonstration today. Learn for yourself how many reasons there are for wanting a new Ford V-8. Then get down to terms—and learn how easily you can own one through these Authorized Ford Finance Plans.

former citizens of Hamlin, Mrs. P. P. Shepard, of Cisco, telling him that she would accompany her son to Hamlin early Monday morning with his girl to have Rev. Littleton to unite them in marriage.

The couple arrived. Mr. Charles Shepard and Miss Elvawynn Coplin, of Eastland, daughter of Mr. and Mrs. J. A. Coplin, a contractor of that city.

It will be recalled that Mr and Mrs. Shepard lived in Hamlin several years ago, and then Charles was quite a small boy. Mr. Shepard was here as local manager of the West Texas Utilities Co., hence the close friendship for the pastor and the coming here for the important ceremony.

Mr. and Mrs. Charles Colwell and little son, of Ontario, California, arrived Tuesday to visit their brother, B. B. Colwell and family.

G. C. Bell, of Wellington, came down Wednesday to look after his Hamlin property, which means two business houses and one residence.

### BOY SCOUTS

The Boy Scouts of Hamlin held Scout Meeting last Friday, by the Hamlin Lake. The troop met after school and hiked to the lake. Supper was cooked after which games were played. After playing about two hours, scout meeting was held, by the light of a camp fire.

Tuesday afternoon three scouts, (Gilbert Freedman, Ted Longino and Robert Fowler) and the Scout Master, Mr. T. L. Cox, gave a first-aid demonstration to the Home Economics class.

Tuesday night Patrol Leaders meeting was held and the next scout meeting planned. We discussed having two scout meetings a month in town and two on hikes. Visitors are welcome to scout meetings. Come and boost your home troop.

Mr. and Mrs. George McBeth, of Rotan, came the past week to see Mrs. W. L. Meeks, who has been real sick, is better at this writing.

## Here Is Something On Agriculture To Think About

College Station, Tex.—In planning the Agricultural program for 1936, Texas farmers can and should take out a "\$250,000,000 group insurance policy," H. H. Williamson, director of the Texas Extension Service, said today.

This, he explained, means simply the adoption of a Live At-Home program on every Texas farm.

Such a program of "insured or protected" farming, outlined and stressed at all of the extension workers' conferences in December, when plans for the new year were being considered, is in the light of present conditions, especially important, he added.

"In this immediate period of uncertainty and confusion engendered by the abrupt halting of the Agricultural Adjustment program, the economic importance of a live at home program on the farm is emphasized more than ever," Williamson said.

"Such a program is not only economically sound but it is beyond controversy. Immediate decision on the part of farmers to adopt such a program would represent a definite and a sound step in planning for the new year, irrespective of whatever may happen insofar as government crop control is concerned."

"The half million farmers in Texas today no doubt, figuratively speaking, are scratching their heads and pondering over their farm programs for 1936," Williamson continued in amplification of the need and in explaining the details of a widespread "Live-At-Home" program.

"It is only a few weeks before it will be time for seed to go into the soil. There is no knowledge of the probable planting, harvest or price of farm crops for 1936."

"The real purchasing power of the farmer is the difference between the cost or expenditure for production and the amount received. The cost of the food and feed consumed by the farm family and livestock has a direct bearing on the cost of production."

"It has been conservatively estimated that the value of the food supply of the average farm family of five, provided it is well balanced,

has a retail value of approximately \$500 a year. This means that the farm table market of Texas is worth \$250,000,000 which is equal in value to five million bales of cotton at 10 cents a pound.

"The Extension Service is recommending that each farm family, insofar as possible, take out a \$500 protection policy by including in their 1936 farm program such features as will make possible the production and storing of an adequate food supply for home use. This is equivalent to group insurance."

"If such a program could be carried out completely by each of the half million farm families, it would mean approximately 250,000 acres of garden and truck crops for home use, 250,000 acres in half acre plots of fruit for home use—twenty-five million hens for an adequate supply of eggs and poultry for home use, one million head of hogs of average weight for the smoke house for next winter and a daily consumption of milk on the farm of at least a million gallons."

"It will be recognized that such a program as outlined is not sufficient within itself. It must be part of a larger program. There must be a cash income, but no part of the cash income, large or small, should be for the purchase of food and feed products that can be produced on the farm. If this expenditure is eliminated or reduced there is more money for debt paying, education of children, for clothes, for better homes and more comfort in the homes."

Instructions to county and home demonstration agents throughout the state to take to the field and to push vigorously through community groups, both organized and unorganized, the 1936 "Live-At-Home" program, have been issued by the Extension Director. Special stress will also be placed on the enrollment of demonstrators and 4-H club members and on soil conservation and other phases of Extension Work.

Declaring that the opportunity of the Extension Service to render timely and helpful service to Agriculture and the farm people was never greater than at present, the

extension director stressed the importance of clear thinking and caution.

#### WOMEN'S HOME

#### DEMONSTRATION CLUBS IN FISHER COUNTY

Bedroom work will be one of the demonstrations carried in Women's Home Demonstration Clubs in Fisher County in 1936.

The first essential in this demonstration is to have better beds, refinishing the bedstead if needed, repairing the springs, adding slats for every row of coils in the springs, and renovating the mattress or adding a new mattress if necessary.

In order to accomplish this a training school in Mattress Making will be held in Roby, Monday, January 20, at 10:00 a. m.

The bedroom demonstrator from each club will attend the training school and will give a demonstration on mattress making in her club in February at the meeting without the agent. Anyone interested in mattress making is invited to attend the demonstration.

"I have 6,000 of the nicest Bermuda onion plants growing," Mrs. Mary Holbrook, cooperator in Capitola Home Demonstration Club told her co-workers.

Mrs. Holbrook has a hot bed three feet by eight feet and plans to have it refilled before planting it the latter part of January. She also plans to plant celery and huckleberries this year and will start cantaloupes and cucumbers in the hot bed in order to have earlier products.

Miss Kate Adele Hill, District Home Demonstration agent will be in Roby, January 17.

Mr. R. H. Bush, Economist in Organization will be in Roby, Thursday, January 23, for the purpose of completing the organization of Agricultural Associations in Fisher County.

A recreational institute for District 6 will be held in Sweetwater, February 17, 18, 19 and 20. Mr. John Bradford, one of America's foremost recreational leaders, will hold this institute. County Recreational Leaders from each County in the District will attend the 4-day institute in order to be able to do better recreational work.

**VOICE OF EXPERIENCE**

Mankind needs an eraser of some sort. Too many lives are permanently blighted by past errors which others cannot forget.

## The HEADLINES Say:

**FEVER MACHINE USED TO KILL GERMS**—Bennie Smith, an arthritis patient, receives treatment at Gallinger Municipal Hospital in the fever machine used to raise temperatures artificially. With his temperature at 105 he grins and asks for more ice. It is said that fever may be induced up to 107 degrees without danger.

**Lilly Pons in a moment of relaxation**, wearing a casually smart walking costume consisting of woolen sweater, slacks, and shoes with built-up heels. Famed for her beauty as well as her lovely soprano voice, she makes good use of her dainty size two and one-half feet in a daily ramble with Panouche, her pet pup. From her head to her modish heels, she is well-fitted to reign as America's most popular star. Radio, movies, grand opera—Lilly takes them all in her stride.

**TWO CUTE BABIES**—When Virginia Weidner, young screen player went on location for one of her latest films, she took her kitten "Grey" as companion. Here they are between shots.

**THIS "FORGER" IS IMMUNE**—Pretty Louise Polk Wilson, related to the two former presidents whose names she bears, of the General Land Office, might be called a professional forger, but fortunately it is all legal as President Roosevelt has authorized her to sign his name on patents. She is the only person authorized to sign the president's name and has done so about 11,000 times.

## SHIFTING AROUND

The first of the year seems to always bring more or less shifting of business concerns. "Till this week, very few changes had come in the business picture of Hamlin, but this week there are quite a few changes.

We note that John Green has returned his auto agency to the Dillard building, after being in with the W. L. Boyd cotton house.

We note that Dode Sanford, the Dandy Service man, has taken up a new location, in the Hillier building, and R. E. Dobbins takes the Sinclair Station where Sanford was.

The Herald indicated a change last week in Hopper barber shop, but the man lasted only a few days and returned to Rotan.

There will likely be other adjustments in the next few days.

## BLUE BONNET CLUB WITH MRS. CLUNY

The Blue Bonnet Club played the usual four games of contract in the home of Mrs. Walter Cluny on Union Avenue, Wednesday afternoon. High score for the club was won by Miss Pearl Whitley and for the guests, by Mrs. J. E. Bury.

At the conclusion of the play a salad plate with coffee was passed to Mmes. D. J. Payne, F. D. Wells, Clinton Barrow, Pat O'Donnell, W. J. Poe, George Bender, J. E. Bury, Anderson, Dick Moore, Oscar Maples and Misses Allie and Pearl Whitley.

## WORKERS CLASS MEETING

The Workers Class met at the home of Mrs. John T. Day, with Viva Milstead and Bonita Duckworth for its regular monthly class meeting at 8:00 o'clock Monday evening. The meeting was opened with a devotional, led by Miss Duckworth and followed with prayer, led by the teacher, Mrs. Joe Simpson. After the business meeting, which was in charge of the president, Ruby Dean, a number of very interesting games were participated in, led by Ruby Thompson. At the conclusion of the games, a refreshment plate was passed to 12 members.

William Norris, son of Mr. and Mrs. H. L. Norris, has gone to San Angelo to accept work with the Kellogg Cereal Co. He worked for this company some last year, and it is possible he has a steady position now.

## WOMEN'S MISSIONARY SOCIETY OF M. E. CHURCH

Monday afternoon, Mesdames Bill Rountree, Clinton Barrow and Dick Low were joint hostesses to the members of the Woman's Missionary Society of the Methodist Church.

The occasion of the meeting was the monthly social and pledge service.

Mrs. Longino was the leader, assisted by Mrs. J. F. Taylor and Mrs. Rountree.

A general discussion of the subject followed the pledge service.

The business meeting was in charge of Mrs. Tom Teague.

A refreshment plate was offered to the twenty-three members present.

## SOME MORE ABOUT PAYING TAXES

Our schools are not institutions of charity, but render a service far in excess of their costs. They represent almost the only organizations in town that are not in direct competition with someone else. They supplement the church and the home in the great tasks of character building, development of citizenship, and the preparation for clean living.

We have maintained our schools through the most rigid economy, but such stringent economy has not allowed us to maintain the efficiency and standards that the State Department of Education recommends.

We are sure that the patrons and tax payers of the Hamlin School District want the Children of this district to have equal opportunities with those boys and girls of other schools. We do not wish to handicap our children for future usefulness by limiting the opportunities that our schools offer.

We, members of the Hamlin School Board, pledge to the patrons of the Hamlin School that we shall continue our operations in the most economical way, sacrificing everything except opportunity for our boys and girls to develop.

In the interest then of these boys and girls, we call upon you to do your part by paying your school taxes if they be great or small. These payments are an investment in character and national welfare, and that being true no payment is too small but that it is appreciated and contributes its part of the welfare of humanity.

We cannot retire our bonds, pay our interest or care for our necessary local operating expense without the payment of your taxes and it is to meet these obligations that we are calling upon all taxpayers of this school district to mail or bring their assessed payment to the office of the School Superintendent where it is now due.

Sincerely,  
—HAMLIN SCHOOL BOARD.

## W. M. S. INSTALLS OFFICERS

The Woman's Missionary Society of the Methodist church had its annual installation of officers Jan. 6, in the basement of the church at 3 o'clock.

Rev. Longino took charge and in a fitting manner, read the service to the following officers, who were elected in December: Mrs. Tom Teague, president; Mrs. Clinton Barrow, vice-president; Mrs. Bill Rountree, treasurer; Mrs. Roy Willingham assistant treasurer; Mrs. Gordon Bennett, cor.-secretary; Mrs. Eleanor Temple, secretary; Miss Lulan Vaughn, Supt. of study; Mrs. J. E. Bury, Supt. of supplies; Mrs. D. O. Sauls, Supt. of Social Relations; Mrs. Turner Bynum, Supt. of Publicity; Mrs. J. E. Noody, Supt. of Local Work; Mrs. H. Longino, Supt. of Spiritual Life.

An inspiring talk was made by Mrs. Teague, stressing the aims to be reached this new year.

Three new members were welcomed and a most cordial invitation extended to any woman who desires to join us, to come.

The monthly social and world outlook program will be held next Monday, Jan. 13th, at 3 o'clock at the home of Mrs. Bill Rountree, with Mesdames Clinton Barrow and Dick Low, as assistant hostesses. Each member is urged to be present and bring a new member with you.

SUPT. of Publicity.

## SENIOR REPORT

Since Christmas is over and the hearts of the Seniors have become hardened again, we're going to let you in on the real "dope" about those basketball games we've been playing. When the Senior boys played the Junior boys, the score was really quite embarrassing—for the Juniors. The Senior girls also beat the Junior girls, but when those Sophomore boys came along to play the Seniors, something must have snapped. In other words, we got beat. We're not complaining, however, for the Seniors can certainly take it. They played a good game and we did too, but their's was just better. We're going to play them again, though, and hope for better luck next time.

The Seniors have a very busy week before them. Work upon the School annual has begun, and good little Seniors who want to read about themselves, must have some original ideas about material to be placed in the Senior section of the Annual.

All of the other classes will have a section in the Annual, but everyone knows that the Seniors' will be best. Our part will just be "chuck full" of pictures, jokes, prophecies, cartoons, and other things.

The first Junior-Senior entertainment of the year is scheduled for Thursday evening, at 6:00 p. m. when the Seniors are having a Treasure-Scavenger (or Scavenger-Treasure) Hunt. The Juniors will be the guests of the Seniors on the hunt.

JONES COUNTY  
ACCORDING, CENSUS

The Herald has just received a report from the Department of Commerce Bureau of the Census, showing how Jones County stands, or stood in 1935, compared to 1930.

Gained 6 farms. Gained 125 full owners of farms. Lost 103 part owners. Lost 3 managers. Lost 14 tenants.

The report shows that there were 2,810 farms in the county in 1935. 752 full owners and 1900 tenants. There were 324,724 acres in farm lands in 1935 a loss of over 63,000 compared to 1930.

There were 591 fewer horses and colts in Jones County in 1935 than in 1930. There were 6,000 fewer mules and mule colts than in 1930. But there were over 7,000 more cattle. And over 5,000 more sheep.

The report shows that there was 138,850 bushels of wheat threshed in 1934, compared to less than 5,000 in 1930, and nearly 29,000 more bushels of barley.

In grain sorghums, the county produced 341,000 bushels, a gain of about 34,000 over 1930. Hogs and pigs increased about 1,500.

When it comes to "sweetpotatoes" Jones county is slim. About 113 bushels is the limit. Oats did well, making above 150,000 bushels. Really the items given above

mean for the years of 1934, as shown on January 1, 1935. At any rate, our government is keeping pretty close tab on what is what in this and all other counties.

## INFLUENCE OF THE PRESS

Do you ever stop to think that millions have no literature, no school, and almost no pulpit but the press? Not one man in ten reads books but every one of us, except the very helpless poor, satiates himself every day with the newspaper. It is the parent, school, college, theater, pulpit, example, counsellor, all in one. Every drop in our blood is colored by it. — Henry Ward Beecher.

Among the several things Hamlin needs, is a lot more room for people to live in—good modern houses or rooms should go fast if they could be had.

Arice Jones returned Saturday from Dallas, where he spent the week attending a John Deere School for salesmen. Mr. Jones was accompanied as far as Ft. Worth by his wife, who visited her grandparents during the week.

## THREE ARE HOSTESSES

The members of the T. E. L. Class of the First Baptist, were entertained in the home of the social chairman, Mrs. John Howard, assisted by Mrs. Brown, Mrs. Hines and Mrs. George Howard.

After a short business session with Mrs. Tate May presiding, a social hour was enjoyed. Mrs. Russel directed a number of games. The honor member for the afternoon proved to be Mrs. L. O. Steel.

A refreshment plate consisting of pie and coffee was served by the hostesses.

## SPECIAL

Swedonia H. D. Club met with Mrs. E. R. Rector, Jan. 7. On account of bad weather and other causes, we had no program and only 6 members present.

We enjoyed a social afternoon. After school was out, one visitor, Miss Bernice Phillips came. She is our new primary teacher.

Refreshments were sandwiches, oatmeal cookies and Cocoa.
